Case #: 06417207
Re: OctopusApp Inc DBA Jobber
Amount due: USD 2,137.21

Recently, our staff contacted you about the above-referenced case. Since the balance hasn't been paid, we have been asked to make a final recommendation to our client. Before doing so, I'd like to understand if there's a willingness to resolve the balance amicably before escalation. Typically, I can get a reduced settlement or payment plan approved but you must contact me immediately.

The current balance due is USD 2,137.21. I will place the file on hold for 24 hours to give you an opportunity to respond. If I don't hear back, I'll assume you're not willing to offer a voluntary proposal and will advise our client accordingly.
